Main research topics:

D-1. Buffer and caries = 63 ARTICLES

Has the salivary buffer activity an influence on caries experience?

[ANSWER: Click here](#)

D-2. Association of buffer and diet. = 8 ARTICLES

Is diet associated with the salivary buffer activity?

[ANSWER: Click here](#)

D-3. Association of buffer and diabetes. = 6 ARTICLES

Is diabetes associated with the salivary buffer activity?

[ANSWER: Click here](#)

Minor research topics:

1. Association of buffer and Down's syndrome. = 2 ARTICLES
2. Association of buffer and bone marrow transplantation. = 2 ARTICLES
3. Association of buffer and sugar free chewing gum. = 2 ARTICLES
4. Association of buffer and saliva flow rate. = 2 ARTICLES
5. Association of buffer and regular fluoridated water consumption. = 1 ARTICLE
6. Association of buffer and sucrase activity. = 1 ARTICLE
7. Association of buffer and anorexia. = 1 ARTICLE
8. Association of buffer and fructose intolerance. = 1 ARTICLE
9. Association of buffer and 22q11deletion syndrom. = 1 ARTICLE
10. Association of buffer and SS. = 1 ARTICLE
11. Association of buffer and intra- and inter individual variations. = 1 ARTICLE
12. Association of buffer and isotretinoin medication. = 1 ARTICLE
13. Association of buffer and lead contamination. = 1 ARTICLE
14. Association of buffer and menarche. = 1 ARTICLE
15. Association of buffer and Tutoil. = 1 ARTICLE
16. Association of buffer and chronic renal failure. = 1 ARTICLE
17. Association of buffer and loss of major saliva gland. = 1 ARTICLE
18. Association of buffer and cardiac disease. = 1 ARTICLE
19. Association of buffer and Candida. = 1 ARTICLE
20. Association of buffer and symptoms of oesophageal burns. = 1 ARTICLE
21. Association of buffer and head neck radiotherapy. = 1 ARTICLE
22. Association of buffer and myotonic dystrophy. = 1 ARTICLE
23. Association of buffer and orthodontic treatment. = 1 ARTICLE
24. Association of buffer and plaque index. = 1 ARTICLE
25. Association of buffer and HIV infection. = 1 ARTICLE
